#### Available Colors

- Blue Celeste (Blue Celeste/Thassos)
- Cafe Bruno (Calacata)
- Steel Grey (Blue Travertine/Thassos)

#### Cleaning and Maintenance

- Protect from harsh abrasive cleaners and tools
- Recommended: Oceancare or Dry Treat products

**Notes:**
- We recommend sealing all natural stone products with a penetrating sealer and sealing all porous non-polished stone (limestone, tumbled marble, etc.) prior to grouting. This prevents grout from staining or affecting the color of the stone. Stone is a natural product, and care should be taken to protect it from harsh abrasive cleaners and abrasive cleaning tools.
