Various Sizes (listed in chart)

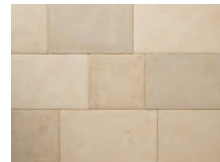

COVERAGE SQFT/PIECE

1 module = 54.3 sqft
4 modules per crate = 217.22 sqft

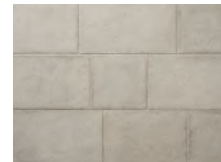

MOUNTING

Loose

AVAILABLE COLORS

Dallage Brun

Dallage Gris

MAINTENANCE

Sealing is required prior to grouting

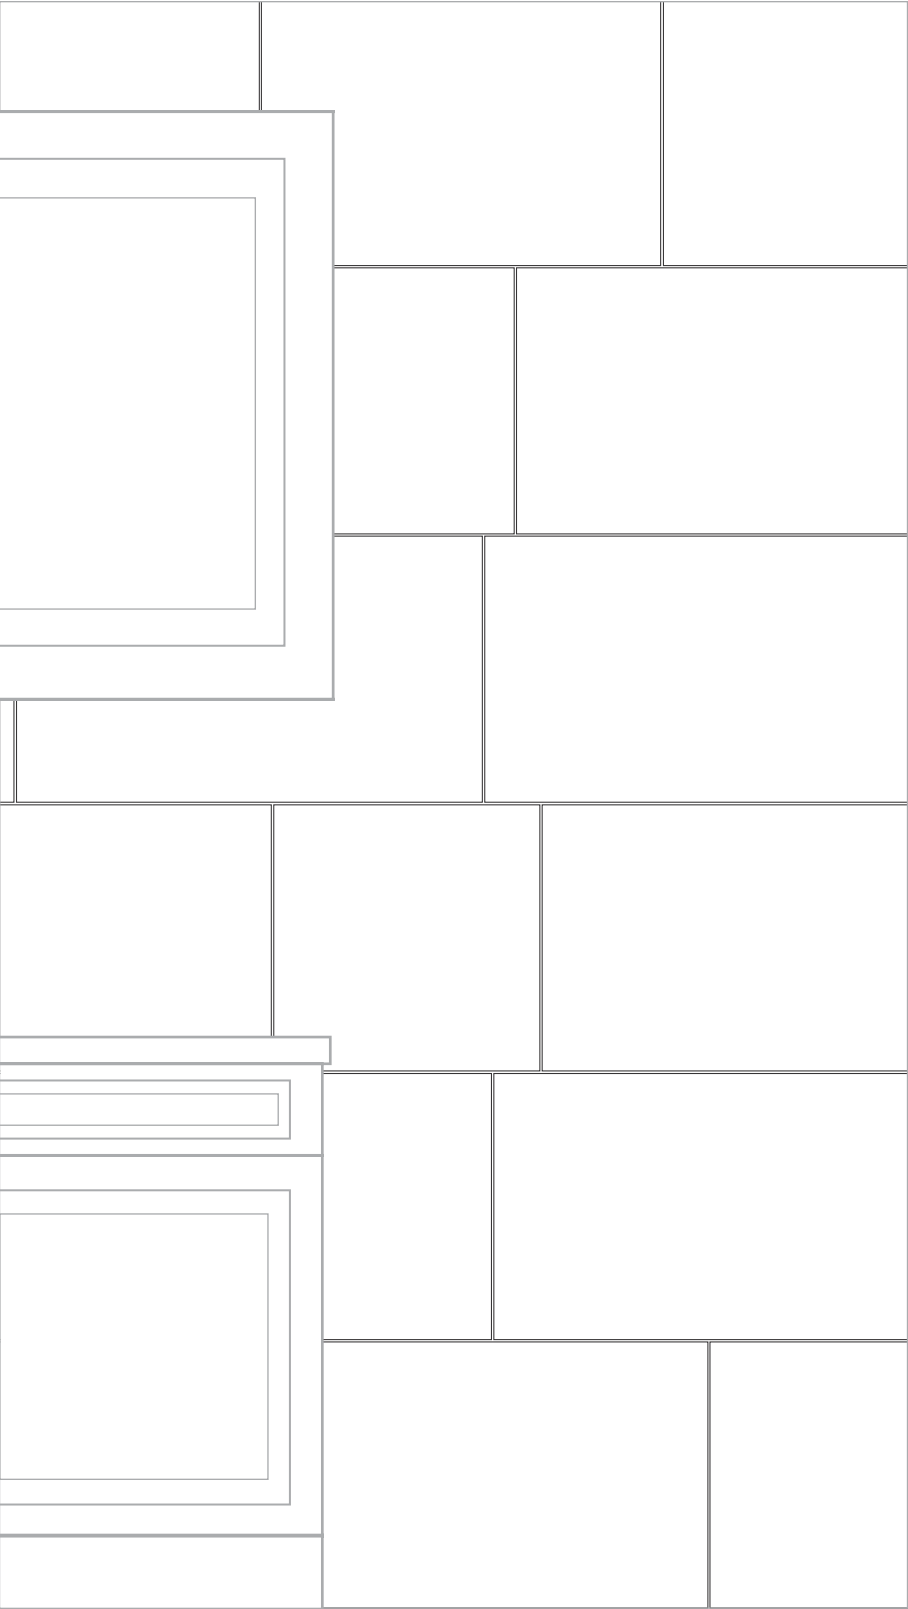

Clean with a damp cloth and
a gentle, non-acidic soap

ADDITIONAL NOTES

Limestone is a natural stone product. We recommend sealing all natural stone products with a penetrating sealer and sealing all porous non-polished stone (limestone, tumbled marble, etc.) prior to grouting. This prevents grout from staining or affecting the color of the stone. Stone is a natural product, and care should be taken to protect it from harsh abrasive cleaners and abrasive cleaning tools. 3/16" Grout Line is recommended. Pattern can be laid at the client's discretion. Line drawing above is to show number of pieces included along with variation in size.
