ADDITIONAL NOTES

Robert A.M. Stern™ 3" x 6" field tiles are also available in gloss and crackle finishes. Shower wall, wet area, and any floor applications are NOT recommended for any product with a crackle glaze. Crackle glazes should be sealed prior to and after grouting. For installation on shower floors, please refer to TCNA guidelines and consult with your installer for proper waterproofing and sealing requirements. Contact your nearest sales account executive for more details on available products. For further questions/information about additional usages, please consult with your installer.
