WHAT'S NEW

Elements of the Bath

WE TOOK OUR CUE FROM DESIGNERS, CULLING THE MARKETPLACE FOR DISTINCTIVE PRODUCTS TO FURNISH THE BATH | PRODUCED BY MARY FITZGERALD

THE AUTHENTIC BATH

Taking the lead from nature, the authentic bath promotes a sense of well-being, soothing the senses with warm woods, textural surfaces and organic shapes. Interior designer Amy Zolin of Clarity Home Interiors and architect Andrew Bartolotta of Beinfield Architecture sought to infuse a harmonic balance between the indoors and outdoors, wrapping the room from floor to ceiling in earthy tones and texture. clarityhomeinteriors.com, beinfield.com.

1. Forged from recycled copper, the hammered Santorini freestanding tub by **Native Trails** is crafted by master coppersmiths in Mexico. *Through Bender, benderplumbing.com, nativetrails.net.* 2. Kelly Wearstler partnered with **Ann Sacks** to design the handcrafted Gem collection of encaustic tile. NYC, annsacks.com. 3. Carved from a single block of onyx, **Stone Forest's** Barrel pedestal sink presents with variable color and veining and can be lit from within for dramatic effect. *Through Klaffs, Norwalk, klaffs.com, stoneforest.com.* 4. The clean-lined German design of the matte Terra vessel sink by **Alape** is offered in subdued earth tones. *Through Modern Plumbing Supply, New Milford, modernplumbing.biz, alape.com.* 5. **Toto's** design-forward Neorest NX intelligent toilet features advanced technology and an elliptical silhouette. *Through F.W. Webb Company, Stamford, fwwebb.com, totousa.com.* 6. **DXV's** Modulus series offers modern, configurable components, including this lavatory and wall-mounted drawer unit. *Through Torco Design Center, Stamford, torcodesigncenter.com, dxv.com.* 7. Abstract Panels lighting by **Sonneman** features LED illumination. Use the sculptural sconces individually or as a composition on a wall or ceiling. *Through D&D Homes, Darien, dndhomesllc.com, sonnemanawayofflight.com.*

WHAT'S NEW

THE GLAMOROUS BATH

Recalling the glitz and romance of Hollywood's heyday, the glam bath layers luxurious finishes and reflective surfaces—metallics, mirror and crystal—with spa-like amenities. Interior designer Tori McBrien's dramatic use of lighting and translucent mosaic tiles illuminate this bath, outfitted with LED lighting, a walk-in steam shower and soaking tub. mcbrieninteriors.com.

1. **Currey & Company's** Tempest gold-finished chandelier is embellished with quartz crystals for shimmering light and dramatic shadows. *NYDC, curreycodealers.com.* **2.** Jessica Davis of **Nest Studios** designed the Facet bath hardware in a hexagonal shape with a choice of four finishes, including the satin brass shown here. *Through Canaan Distributors, Stamford, canaandistributors.com, neststudiocollection.com.* **3.** Designer Toni Sabatino combined European styling and old Hollywood grandeur in the Gold Lane vanity from her Retro collection for **Baden Haus**. *Through Grande Central Showroom, NYC, centralplumbingspec.com, badenhaus.it.* **4.** **Kreoo's** Roma freestanding washbasin, designed by Marco Piva, is striking in a natural white onyx with gold leaf detailing. *Through Bender, Norwalk, benderplumbing.com, kreoo.com.* **5.** Michael Aram's dimensional design, Orchid, for **Artistic Tile** is fashioned of white Thassos flowers on a background of polished Bianco Carrara. *NYC, artistictile.com.* **6.** **THG Paris** introduced a new fittings collection with sculptural artist Arik Levy, exhibiting a creative play on materials, patterns and textures. *Through Klaffs, Norwalk, klaffs.com, THG-Paris showroom, D&D, NYC, thg-paris.com.*

WHAT'S NEW

THE CLASSIC BATH

Traditional design and simple sophistication deliver an heirloom aesthetic that never goes out of style. Here, homeowners Simon Kneen and Paolo Secchia kept the palette monochromatic with vintage-style fixtures and antique bas-relief art. Wide-plank wooden floors add warmth and patina to the all-white color scheme. greynewyorkgreynewengland.com.

1. Crafted by Italian artisans, the **Rohl** Viaggio bath series from the Country Bath collection includes a retro-jet single function rain showerhead. Through [Klauffs](http://Klauffs.com), Norwalk, klauffs.com, rohlhome.com.
2. The Townsend pedestal sink from **American Standard** features generous ledges and distinctively faceted lines. Through Torro Design Center, Stamford, torrodesigncenter.com, americanstandard-us.com.
3. Duquesa handcrafted, painted cement tiles are reminiscent of Moroccan mosaics by **Walker Zanger**. Through Connecticut Stone, Milford, connecticutstone.com, walkerzanger.com.
4. **Axor**'s Montreux tub bridge faucet is timeless with porcelain inlays. Through F.W. Webb, Stamford, fwwebb.com, hansgrohe-usa.com.
5. Cabinet hardware with arched face plate and beveled edge detailing from **Atlas**' Wadsworth collection blends with traditional and modern décor. Through Ring's End, Darien, ringsend.com, atlashomewares.com.
6. Modeled after 19th-century European tubs, the Chesterfield freestanding tub with bun feet is from **Waterworks**. Greenwich, waterworks.com.
7. Traditional design is paired with water conservation benefits in the graceful curves of **Brizo**'s Tresa widespread lavatory faucet. Through Best Plumbing Tile and Stone, Stamford, bestplg.com, brizo.com.

WHAT'S NEW

THE MODERNIST BATH

The modern minimalist bath is architectural in sensibility and innovative by design. Sleek curves and clean lines create visual impact. Global, industrial and technological influences impact this genre with an emphasis on form and function. Each component of this bath designed by Doron Sabag and Jim Hoffman of SBP Homes was thoughtfully chosen for its beauty and workability. sbphomes.com.

1. A blend of artistry and style, the Dorrance widespread faucet set by **Newport Brass** is cast in solid brass and offered in a flat black finish with sleek cross handles. *Through Bender, Norwalk, benderplg.com, newportbrass.com.* 2. The Gridscape shower door from **Coastal Shower Doors** is constructed with black metal mullions and tempered glass, yielding a modern, industrial vibe. *Through Lowe's, Norwalk, lowes.com, coastalshowerdoors.com.* 3. Casting light both upward and downward, **Arteriors** conical Nadia sconce does double duty for task and mood lighting. *Through Safavieh Home, Stamford, safaviehhome.com, arteriorshome.com.* 4. The Veil suite of bath fixtures by **Kohler** features fluid curves and sculpted, asymmetrical shapes. *Through Bender, Norwalk, benderplumbing.com, Kohler Experience Center, NYC showroom, kohler.com.* 5. The wall-mounted Linea vanity by **Lacava** is crafted in a gloss white with a matte black frame, built-in towel bar and a solid surface countertop (sink and faucet sold separately). *Through Klaffs, Norwalk, klaffs.com, lacava.com.* 6. **Hansgrohe**'s Metropolis freestanding tub filler with a loop handle hand shower is characterized by precise geometrical contours. *Through Waterware, Stamford, waterwareshowrooms.com, hansgrohe-usa.com.*
