# Calacata Porcelain

The beauty of authentic Calacata Marble from Italy is undeniable, but there are situations - application or project budget - where it might not be suitable. For that we offer Calacata Porcelain. Italian tile technology replicates with amazing fidelity the varied veining of the actual marble and the smooth but slightly undulated surface has the hand feel of true stone. Offered in multiple sizes, Calacata Porcelain allows you to bring the beauty of Italian white marble to any space.
