Cava Bianco

Capturing the look of some of the world's most coveted marble in the durability of porcelain tile, the Cava Bianco collection brings Italian chic to practical porcelain. Made in Italy using cutting-edge technology, the collection features natural stone-like variation and stone-like texture in three of the most sought after marble varieties, the luxurious white Carrara and Statuary and the sophisticated grey-toned Argento. Available in large, small and mosaic formats, the versatility of Cava Bianco allows for a multitude of applications that work effortlessly in modern or traditional spaces.
