Nero

RECOMMENDED USAGES

Commercial Interior Wall

Residential Interior Wall

Shower Wall

MATERIAL DATA

V4 Color Variation

MAINTENANCE

Sealing is required prior to grouting

Clean with a damp cloth and a gentle, non-acidic soap

ADDITIONAL NOTES

Geometric Fluted tiles are recommended for wall use only. All Geometric products feature natural stone. We recommend sealing all natural stone products with a penetrating sealer and sealing all porous non-polished stone (limestone, tumbled marble, etc.) prior to grouting. This prevents grout from staining or affecting the color of the stone. Stone is a natural product, and care should be taken to protect it from harsh abrasive cleaners and abrasive cleaning tools. White thin-set or mortar is required for the following: light limestone, tumbled stones, "antiquated stones" and light-colored marbles. For further questions/information about additional usages, please consult with your installer.
