## BARCELONA

---

Italian artisanship and glazing technology replicates the look of natural onyx. Porcelain tile shows striking stone patterns and colors in a luxurious collection from Walker Zanger.

Drawing inspiration from both nature and modernist architecture, Barcelona is a collection of colored-body, glazed porcelain tiles that authentically recreate the appearance of vein-cut onyx. Barcelona is high-quality design with innovation that is distinct and original.

Available in four colors, two sizes, and bookmatched pattern available in two colors. This contemporary porcelain tile offers a unique aesthetic tile solution that is simply not available from nature. Barcelona brings dramatic elements indoors and out to commercial interiors like hotels, restaurants and retail shops.

Create stunning focal points in residential bathrooms, kitchens and patios.
