

WALKER ZANGER™

LEVEL

Level

A groundbreaking collection that is an evolution of the traditional concept of concrete. With textures that offer sophistication and depth, and patterns that still allow for creativity, Level porcelain tiles redefine the possibilities of interior aesthetics. Expertly crafted in a variety of colors from serene whites to elegant greys, warm beiges, and tranquil sage greens, Level brings a harmonious palette to any space.

Level Deco mosaics are recommended for wall use only. Level Deco mosaic contains six separate pieces of various sizes (3 with a textured finish, 3 with a matte finish). Pieces of different heights can be installed in any order, as long as there is always an alternation between finishes in each piece. For additional installation details, view detailed installation guide. For installation on shower floors, please refer to TCNA guidelines and consult with your installer for proper waterproofing and sealing requirements. For further questions/ information about additional usages, please consult with your installer. Additional colors and sizes are available through special order.
