ADDITIONAL NOTES

Level Deco mosaics are recommended for wall use only. Level Deco mosaic contains six separate pieces of various sizing (3 with a textured finish, 3 with a matte finish). Pieces of different heights can be installed in any order, as long as there is always an alternation between finishes in each piece. For installation on shower floors, please refer to TCNA guidelines and consult with your installer for proper waterproofing and sealing requirements. For further questions/information about additional usages, please consult with your installer.
