Shower Wall

Shower Floor\*

#### MATERIAL DATA

V3 Color Variation

#### MAINTENANCE

Sealing is required prior to grouting

Clean with a damp cloth and  
a gentle, non-acidic soap

#### ADDITIONAL NOTES

For installation on shower floors, please refer to TCNA guidelines and consult with your installer for proper waterproofing and sealing requirements. Paradigm™ 4"x16" field tile features Calacatta natural stone. We recommend sealing all natural stone products with a penetrating sealer and sealing all porous non-polished stone (limestone, tumbled marble, etc.) prior to grouting. This prevents grout from staining or affecting the color of the stone. Stone is a natural product, and care should be taken to protect it from harsh abrasive cleaners and abrasive cleaning tools. For further questions/information about additional usages, please consult with your installer.
