

Stardust Link

DATE REVISED: AUGUST 2024

WALKER ZANGER

MATERIAL	Glazed basaltic lava rock
FINISH*	Crackle/Gloss/Metallic
THICKNESS	3/8"
SHEET SIZE	8-1/16" x 17-9/16"
COVERAGE SQFT/PIECE	0.4234 SqFt
MOUNTING	Mesh

AVAILABLE COLORS

Twilight
Crackle/Gloss Finish

Solar
Gloss/Metallic Finish

Midnight
Metallic Finish

RECOMMENDED USAGES

Commercial Interior Wall

Residential Interior Wall

Residential Interior Floor

Shower Wall

MATERIAL DATA

V1 Color Variation

MAINTENANCE-

Sealing is required*

In areas that experience moisture, resealing is a necessary maintenance procedure

ADDITIONAL NOTES

Sealing is required for Stardust Link mosaics. Stardust Link mosaics feature natural stone products. We recommend sealing all natural stone products with a penetrating sealer and sealing all porous non-polished stone (limestone, tumbled marble, etc.) prior to grouting. This prevents grout from staining or affecting the color of the stone. To accentuate crackle, grout with a darker color and seal tile after grouting. To minimize crackle, seal tile prior to grouting. For areas that experience moisture, resealing is a necessary maintenance procedure. Stone is a natural product, and care should be taken to protect it from harsh abrasive cleaners and abrasive cleaning tools. For further questions/information about additional usages, please consult with your installer.
