

# Stardust Ziggy

DATE REVISED: AUGUST 2024

# WALKER ZANGER

MATERIAL	Glazed basaltic lava rock
FINISH*	Crackle/Gloss/Metallic
THICKNESS	3/8"
SHEET SIZE	8-3/4" x 9-15/16"
COVERAGE SQFT/PIECE	0.6001 SqFt
MOUNTING	Mesh

#### AVAILABLE COLORS

Twilight  
Crackle/Gloss Finish

Glam  
Metallic Finish

#### RECOMMENDED USAGES

Commercial  
Interior Wall

Residential  
Interior Wall

Residential  
Interior Floor

Shower Wall

#### MATERIAL DATA

LOW  
V1 Color Variation

#### MAINTENANCE-

Sealing is required\*

In areas that experience moisture, resealing is a necessary maintenance procedure

#### ADDITIONAL NOTES

Sealing is required for Stardust Ziggy mosaics. Stardust Ziggy mosaics feature natural stone products. We recommend sealing all natural stone products with a penetrating sealer and sealing all porous non-polished stone (limestone, tumbled marble, etc.) prior to grouting. This prevents grout from staining or affecting the color of the stone. To accentuate crackle, grout with a darker color and seal tile after grouting. To minimize crackle, seal tile prior to grouting. For areas that experience moisture, resealing is a necessary maintenance procedure. Stone is a natural product, and care should be taken to protect it from harsh abrasive cleaners and abrasive cleaning tools. For further questions/information about additional usages, please consult with your installer.
