- Frost Resistant

### MAINTENANCE

- Sealing is required
- Clean with a damp cloth and a gentle, non-acidic soap

### ADDITIONAL NOTES

Argyle Charcoal is a fully porcelain product. Argyle Linen features thassos white marble. We recommend sealing all natural stone products with a penetrating sealer and sealing all porous non-polished stone (limestone, tumbled marble, etc.) prior to grouting. This prevents grout from staining or affecting the color of the stone. Stone is a natural product, and care should be taken to protect it from harsh abrasive cleaners and abrasive cleaning tools. For installation on shower floors, please refer to TCNA guidelines and consult with your installer for proper waterproofing and sealing requirements. For further questions/information about additional usages, please consult with your installer.
